IN SOUTH AUSTRALIA,
IN 2019, 43% OF STUDENTS
COMPLETED THEIR SACE
WITH SOME VET.

FURTHERMORE, 77% OF THOSE
STUDENTS COMPLETED THEIR SACE
WITH A CERTIFICATE III OR HIGHER.

WHAT IS ADELAIDE HILLS STUDENT PATHWAYS (AHSPS)?

AHSPs is a group of member schools in the Adelaide Hills who work together to provide Vocational Education and Training (VET) opportunities for their students, incorporating the Adelaide Hills Trade Training Centres.

For detailed information about the courses in this brochure, visit www.ahsps.com.au

WHAT IS VET?

Vocational Education and Training (VET) gives students skills and knowledge for work. VET operates through a national training system, and is delivered, assessed and certified by Registered Training Organisations (RTOs). The accredited training is from an endorsed Training Package under Australian Qualification Training Framework guidelines.

The training may occur at a school, TAFE SA or a private Registered Training Organisation (RTO). Many AHSPs courses will include a Structured Workplace Learning placement in industry.

BENEFITS

- Opportunities to explore areas of interest which assist students in making decisions about further study and work
- VET qualifications are nationally recognised
- Students may gain credit towards traineeships and apprenticeships
- Student's VET results will also be included as part of the student's South Australian Certificate of Education (SACE) requirements (see the SACE Board website sace.sa.edu.au for further information)
- Structured Workplace Learning (SWL) increases opportunities for employment. The skills and knowledge gained whilst completing the work placement are valued by employers.

HOW DOES VET AFFECT MY SACE AND OTHER SUBJECTS?

Students are able to include a significant amount of VET in their SACE studies, up to 150 SACE credits at Stage 1 and/or Stage 2 for successfully completed VET (see the SACE Board website sace.sa.edu.au/web/vet for further information).

Time out of school to complete your course or on a Structured Work Placement means you will need to work closely with your subject teachers to ensure your other studies are not disadvantaged.

VET FOR TERTIARY ENTRANCE

VET can count towards tertiary entrance for university and TAFE as "Recognised Studies" (to a maximum of 20 credits in an ATAR. Students also need to satisfy all other university entrance criteria.)

For completed VET qualifications to count as Recognised Studies, they must be:

- a completed Certificate III level (or higher)
- recognised in the SACE at Stage 2 for at least 10 credits.

See your VET Coordinator and visit sace.sa.edu.au/web/vet for further information.

HOW MUCH WILL THE COURSE COST ME?

Training and consumable costs for each course are detailed on ahsps.com.au.

The cost of courses varies - it includes training and any associated consumables. There may also be a cost for transport to another site. Contact your VET Coordinator at your school to discuss the funding arrangements specific for your school.

Students who withdraw before completion of a VET course may be charged up to the full cost of the course. Check with your school for more detail.

WHAT IF I CHANGE SCHOOLS BEFORE OR DURING MY VET COURSE?

If you change schools before your VET course starts, then the school you are leaving is not obliged to pay for your VET course. You may be charged full course fees or lose your place.

If you change schools in the middle of the course then the school you are leaving may seek reimbursement for the cost they have incurred.

TRAVEL ARRANGEMENTS

Students are required to arrange their own transport to VET courses and work placements.

HOW WILL I APPLY TO BE IN A VET COURSE?

Selecting a VET course will be done through your school's course counselling process. Your school will assist you in selecting a course that will fit your SACE pattern. You will complete an AHSPs application available on the AHSPs website. You will then be advised as to whether you will be required to attend an interview or complete an additional course specific application.

Applications are finalised by the middle of Term 4 and you will be notified of the outcome. If you are unsuccessful your school will assist in identifying a possible alternative. Priority will be given to students from AHSPs member schools. For information on applying for an AHSPs course from a non member school go to www.ahsps.com.au.

WHAT IS THE DIFFERENCE BETWEEN STRUCTURED WORKPLACE LEARNING (SWL) AND WORK EXPERIENCE?

Structured Workplace Learning (SWL) enables students to gain specific skills on-the-job. The skills reflect nationally-recognised, industry defined competency standards, which have been developed by Industry training bodies. A student's time in SWL, as part of their VET course, can contribute to their SACE.

Work Experience offers students a general taste of the world of work. Students observe different aspects of the work carried out and assist with tasks nominated by their supervisor or employer. Students are able to develop a better understanding of generic employability skills valued in the workplace.

WHAT ARE SCHOOL-BASED APPRENTICESHIPS?

School-Based Apprenticeships and Traineeships allow you to train and do paid work in an industry area while you are still at school studying for your SACE. For more information on SBAT's speak with your VET Coordinator.

ELIGIBILITY FOR GOVERNMENT SUBSIDISED TRAINING

If you want to study a course that will give you skills employers need, the South Australian Government pays part of your course fees for you. The money goes straight to your training provider, so you can focus on your training.

Your eligibility for government subsidised training may be based on your employment status and any training you've already completed.

ELIGIBILITY CRITERIA

You may be eligible for subsidised training if you live or work in South Australia, and you are:

- an Australian or New Zealand citizen
- a permanent Australian resident, or
- an eligible visa holder (See eligible visas below) and are:
- 16 years or over and not enrolled at school
- 16 years or over, enrolled in school and undertaking training through the Training Guarantee for SACE Students (TGSS), or
- undertaking training through a training contract.

ELIGIBLE PEOPLE MAY ACCESS:

- one foundation skills course (if assessed to need it)
- up to five bridging units at every qualification level (if assessed to need them)
- unlimited priority courses.

BASED ON YOUR TRAINING AND EMPLOYMENT LEVEL, YOU MAY ALSO ACCESS THE FOLLOWING:

Highest accredited non-school qualification at first enrolment:

1. No qualification or an unemployed job seeker who is registered with an Employment Service Provider
- one certificate II course
- two courses from certificate III to advanced diploma level.
2. Qualification up to certificate II level
- two courses from certificate III to advanced diploma level.
3. Completed a certificate III or above (including university qualifications)
- one course from certificate III to advanced diploma level.
